About Vinacus

VINACUS, Viet Nam Customs Broker & Freight forwarding company, was incorporated in 2008 with head office in Hanoi, Viet Nam and is managed by experts in foreign trade and import / export fields. Over 80 % of Vinacus staffs are university graduated and post graduated with MBA from prestige international universities.

Getting started by specialization in Customs Broking Service to promote international trade and support enterprises, especially small & medium companies overcome the difficulties in customs policies and governmental regulations on import / exports activities,

*“**Reliable** comes from customer experience, **Professional** comes from each of Vinacus staffs”*

Vinacus has become a leading company in Customs Broking Service in Viet Nam recently by the trust from our customers and efforts from all Vinacus members.

Our base line and motto “**Reliable Partner & Professional Service**” keep us in mind that **Reliable** only comes from customers 's experience of our service, **Professional** comes from each of Vinacus staffs.

For our company business philosophy and vision, please visit: www.vinacus.com

Service Coverage

Vinacus currently specialized in:

1. Customs Broker Service
2. Entrusted Import / Export Service
3. Import / Export Permits Service
4. C/O Service (Certificate of Origin)
5. Sea & Air Freight service
6. Inland Trucking Service

1. CUSTOMS BROKER SERVICE

Customs Broking Service is very popular in developed countries where the allocation of labor reaches high level of effect.

By outsourcing to Vinacus, your company will have benefits:

- **Save time**

Delivery on time is the key factor to build trust.

Specializing in Customs Broker helps Vinacus do clearance shorter time than others

Time is also money, save time leads to save costs such as storage, detention, demurrage or any delay claim of compensation.

- **Save cost**

No longer worried about import / export staffs's wages and labor regulations

Precision & sufficiency of import / export documents will prevent costs later on of the inaccuracy or shortages.

No longer worried about expense without evidence of VAT invoice such as side costs

- **Secured plan**

What happen if your import / export staffs on leave or sick on arrival date of your cargo? Delivery plan would be failed. Do not worry about that, Vinacus customs Broker will secure the plan for you.

You are also being updated timely of the cargo status, route and schedules from time of Departure to Arrival and Delivery.

Vinacus also serve you full solution options from packing, wrapping to loading, unloading and installations.

- **Business confidential**

If one staff knows all of your business information such as of cargo, price and dealers, It leads to a big risk that he would leave you and set up his own business based on your business partners & all your customers.

Vinacus totally commit that all of your business information will be kept strictly confidential. Each of our staffs will involve in only one step of the whole procedures.

- **Professional consultancy**

No longer worried about import tax, HS code or any matter of customs after clearance check, We Vinacus commit and provide accurate information, expertise in accordance to customs regulations & policies.

trade matters.

Being specialized in Customs Brokerage makes VINACUS prominent among so many other logistics companies. This also helps us have a deep, profound knowledge of import / export and international

No matter what you concern, we commit to give our professional consultancy for your extended knowledge even you would not use our service.

2. **ENTRUSTED IMPORT / EXPORT SERVICE**

If your company do not have register in certain business sectors or do not have import permit or don't want to take risk in foreign contract, payment... our entrusted import / export service can help to overcome such difficulties.

We provide full service or partial options of the followings based on the entrusted contract:
